DETAILED ACTION

Allowable Subject Matter

Claims 1, 3-15 and 20 -21 are allowed.

This application is in condition for allowance except for the following formal matters:

Claims 16-19 and 22.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

The examiner notes that claims 16-18 and 22 would impose a serious burden on the examiner since they do not require the limitations of the injector and the pacemaker that limit the method claims to the examiner's area of expertise. Claims 16-19 and 22 would be classified elsewhere and the mere intended use of an injector and/or a pacemaker would not render the claims allowable for the same reasons as the method.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark W. Bockelman whose telephone number is (571) 272-4941. The examiner can normally be reached on Monday - Friday 10:00 to 6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Angela Sykes can be reached on (571) 272 -4955. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
